

PRIVACY POLICY

As a business operator of a bridal business, photography, and spa business, Island Label Hawaii, Inc. believes there is a strong demand for the proper handling of personal information. To realize the pursuit of similar customer satisfaction, which is one of our action guidelines, and based on this idea, and taking into account our scale, we have established a personal information protection policy. By following it, our customers and we will properly handle personal information regardless of our customers, business partners, shareholders, or employees who wish to join the company.

1 Acquisition, use, and provision of personal information

Island Label Hawaii, Inc. will clearly state and obtain consent for the Acquisition, use, and provision of personal information. The acquired personal information will be used only within the scope of the purpose of use, and measures will be taken to prevent use beyond the scope of what is stated.

2 Compliance with laws and regulations

Island Label Hawaii, Inc. will comply with various laws and regulations regarding handling personal information, guidelines, and other norms set by the government.

3 Implementation of security measures

Island Label Hawaii, Inc. will store the personal information and hold it under proper management and take appropriate safety and corrective measures against risks such as unauthorized access to the personal information, loss, destruction, alteration, and leakage of the personal information.

4 Inquiries about personal information

For inquiries, complaints, and consultation regarding personal information, Island Label Hawaii, Inc. will clearly indicate the complaint and consultation service and respond in good faith and promptly.

5 Continuously review and improve the internal system to protect personal information

Island Label Hawaii, Inc. will establish an internal system to protect personal information and ensure that all employees are thoroughly aware of our policies. We are aware of the social issue of data collection and strive to protect personal information always. We will make every effort to protect the personal information of all complaints and feedback we receive. Moving forward, we will continue to review and make improvements to our policies.
